Revision 1

8. Exposure Controls/Personal Protection

9. Physical and Chemical Properties

State: Lotion.
Colour: White.
Odour: Perfumed.
Solubility in water: Dispersible.
Viscosity: 13600 ±1300mPas
Relative density: 1.00 ±0.02g/cm³.
pH: 6.0 ±0.5

10. Stability and Reactivity

Conditions to avoid: None when used as intended.
Materials to avoid: None when used as intended.
Hazard decomposition products: None known.

11. Toxicological Information

Hazardous ingredients: LD50> 2000mg/kg body weight, rat oral, relative to ingredients.
Routes of exposure: May irritate eyes.

12. Ecological Information

Persistence and degradability: Biodegradable.

13. Disposal Considerations

Disposal of packaging: Empty plastic tubes can be disposed of through the local recycling system.

14. Transport Information

15. Regulatory Information

Note: The usual precautionary measures associated with the handling of chemicals should nevertheless be taken.

16. Additional Information

Legal Disclaimer: The formulation was assessed in conformity with the Dangerous Preparations Directive of the EC. The information provided corresponds to the present state of our knowledge. It is not a warranty of products properties, nor does it constitute the basis for any legal contractual relationship.
