

SAFETY DATA SHEET  
Bowcare Care 1000 1L

Page 1/3  
Issued: 15.11.2013  
Revision 1

**1. Identification of the Substance/Preparation and of the Company/Undertaking**

**Product name:** Bowcare Care 1000 1L Afterwork Cream  
**Product code:** 19.6604  
**Company name:** GPP Hygiene  
Bowcare House, Stephenson Drive  
Waterwells Business Park  
Quedgeley  
Gloucestershire  
GL2 2AG  
**Emergency Tel:** 0121 554 7107

**2. Composition/Information on Ingredients**

**Chemical characterisation:** Cosmetic preparation:  
Oil-in-water emulsion of stearates, builder, corrigents,  
preservatives, skin protection substances, perfume, water,  
ointment waxes, organic polymers.

**Hazardous ingredients:** Contains no hazardous ingredients in concentrations in excess  
of those defined in the EC Dangerous Preparations Directive as  
requiring them to be taken into consideration. Not subject to  
labelling requirements under Article 2 of the German Hazardous  
Substances.  
Ordinance (GefStoffV) – Cosmetics.

**3. Hazards Identification**

There are no hazards to users if the product is used as intended.

**4. First Aid Measures**

**Eye contact:** After eye contact, rinse the eyes thoroughly with plenty of water  
(eye-wash bottle).

**Ingestion:** After ingestion, seek specialist medical assistance immediately.  
Take the container and this information with you.

**5. Fire Fighting Measures**

**Extinguishing media:** No restrictions.

Revision 1

## 6. Accidental Release Measures

No special measures.

## 7. Handling and Storage

**Handling requirements:** No special measures necessary.

**Storage conditions:** Recommended storage temperature above 15°C. Protect against frost.

## 8. Exposure Controls/Personal Protection

For the exposure limits of individual hazardous ingredients see Section 11, Toxicological Information.

**Respiratory protection:** Not necessary.

**Hand protection:** Not necessary.

**Eye protection:** Not necessary.

**Hygiene measures:** No special measures.

## 9. Physical and Chemical Properties

**State:** Lotion

**Colour:** White

**Odour:** Perfumed

**Vapour pressure (20°C):** Undeterminable

**Solubility (20°C):** Dispersible

**Viscosity (23°C):** 9800 +/- 500 mPas

**Flash point:** None

**Ignition point/explosion** N/A

**limit:**

**Density (23°C):** 0.99 +/- 0.02g/cm<sup>3</sup>

**pH (100 g/1H<sub>2</sub>O and 40°C):** 6.0 +/- 0.5

## 10. Stability and Reactivity

**Hazardous decomposition** None known.

**products:**

**Hazardous reactions:** None when used as intended.

Revision 1

### 11. Toxicological Information

Under the German Hazardous Substances Ordinance, the product is neither slightly toxic (harmful) nor toxic. May irritate the eyes.

**Acute toxicity:** LD 50>2000 mg/kg body weight, rat oral, relative to the ingredients.

### 12. Ecological Information

Biodegradable. Insofar as ingredients of the product are subject to the German Detergent Law (WRMG), the product complies with the corresponding ordinance. In conformity with the German Surfactant Ordinance of 04.06.1986, enacted under the Detergent Law, the surfactants in the product are on average at least 90% biodegradable.

### 13. Disposal Considerations

**Disposal operations:** No special measures.

**Disposal of packaging:** Empty plastic tubes can be disposed of through the local recycling system.

**NB:** German waste code No. 150102 Production wastes from toiletries.

### 14. Transport Information

Not a dangerous substance.

### 15. Regulatory Information

German water hazard Class 1 – product represents a low hazard to waters – classification in conformity with the rule governing mixtures of the German Administrative Regulation on the Classification of Substances Hazardous to Waters into Water Hazard Classes (VwVwS) (17 May 1999). The product is subject to the German Cosmetics Ordinance.

**Note:** The usual precautionary measures associated with the handling of chemicals should nevertheless be taken.

### 16. Additional Information

**Legal Disclaimer:** The formulation was assessed in conformity with the Dangerous Preparations Directive of the EC. The information provided corresponds to the present state of our knowledge. It is not a warranty of product properties, nor does it constitute the basis for any legal contractual relationship.
