

SAFETY DATA SHEET  
Bowcare Telephone/VDU Wipes

Page 1/3  
Issued: 27.11.2013  
Revision 1

### 1. Identification of the Substance/Preparation and of the Company/Undertaking

**Product name:** Bowcare Telephone/VDU Wipes  
**Product code:** 22.1010  
**Company name:** GPP Hygiene  
Bowcare House, Stephenson Drive  
Waterwells Business Park  
Quedgeley  
Gloucestershire  
GL2 2AG  
**Emergency Tel:** 0116 276 1881

### 2. Composition/Information on Ingredients

Ingredient	Contents	Einecs	Cas Number	Health Risk (Class) (R. No.)
Propan-2-ol	<10%	200-661-7	67-63-0	[Xi] R11-36-0
Polymeric Biguanide Hydrochloride	<0.1%		027083-27-8	[Xn] [N] R22-38-41-43-50-53

### 3. Hazards Identification

**Main hazards:** This product is not classed as hazardous to health or the environment.

### 4. First Aid Measures

**Skin contact:** Wash affected area with soap and water. If irritation persists seek medical advice.  
**Eye contact:** If sufficient material has entered the eyes to cause irritation, flush thoroughly with water for at least 10 minutes. If symptoms persist, seek medical advice.  
**Ingestion:** Do not induce vomiting. Keep at rest and seek immediate medical attention.  
**Inhalation:** Remove the affected victim from exposure and seek medical advice.

### 5. Fire Fighting Measures

**General hazards:** This product does not support combustion hence is not classified as flammable.  
**Extinguishing media:** Dry chemical, foam or carbon dioxide.  
**Hazardous thermal decomposition products:** Oxides of carbon, nitrogen and other toxic decomposition products in the case of incomplete combustion.  
**Unusual fire and explosion hazards:** There are no unusual hazards. Product does not constitute any special or particular fire hazards.  
**Protection of fire fighters:** Use self-contained breathing apparatus and protective clothing.

### 6. Accidental Release Measures

No special precautions are required if used as directed.

Revision 1

## 7. Handling and Storage

**Handling requirements:** Follow handling instructions, which are represented on the product label.  
Avoid direct contact with eyes.

**Storage conditions:** Store at room temperature. Avoid extreme temperature conditions.

## 8. Exposure Controls/Personal Protection

No protective equipment is required when using this product, although your own risk assessment should be considered.

**Occupational exposure:** EH40 (United Kingdom (UK))

**Limit IPA:** OES: 500ppm Period: 15min. OES: 1250mg/m<sup>3</sup> period: 15min

## 9. Physical and Chemical Properties

**State:** Wet impregnated non-woven wipe.

**Odour:** Slight apple fragrance.

**Solubility in water:** All impregnant components 100%.

**Volatiles:** Propan-2-ol (<10%)

**Flash point °C:** 50°C

**pH/SG/melting/boiling point:** N/A

## 10. Stability and Reactivity

**Stability:** Stable if stored at room temperature. Wipes will dry if exposed to the atmosphere

**Materials to avoid:** Contact with strong oxidising agents.

**Hazardous polymerisation:** N/A

## 11. Toxicological Information

It is not policy to conduct any form of animal testing and the following toxicological data therefore applies to the information we have gathered from our suppliers.

**Acute toxicity:** Not applicable for this type of product if used as directed.

**Corrosivity/irritation:** No evidence of this if the product is used as directed.

**Sensitisation:** No evidence at present.

**Repeated dose toxicity:** Not applicable for this type of product if used as directed.

**Mutagenicity:** Not applicable for this type of product if used as directed.

**Carcinogenicity:** Not applicable for this type of product if used as directed.

**Reproductive toxicity:** Not applicable for this type of product if used as directed.

## 12. Ecological Information

**Persistence and degradability:** Product is generally biodegradable.

**Bioaccumulative potential:** The product is accepted as non-bio-accumulative.

**Eco-toxicity:** Nil/Low

Revision 1

### 13. Disposal Considerations

**Disposal operations:** Disposal should be in accordance with local, state or national legislation.

**Disposal of packaging:** Recyclable.

### 14. Transport Information

This product is not classified as a dangerous good for transport in regards to the transport regulation.

### 15. Regulatory Information

In accordance with the CHIP 3 regulations, the product is not classified as hazardous.

### 16. Additional Information

**Packaging contents:** Recyclable HDPE inner packaging.

Recyclable cardboard out packaging.

Non-woven consisting of viscose fibres, cellulose, PES fibre and binder.

**Hazards:** All necessary information can be found in Sections 3 & 15 for this product.

This is not classed as flammable as it does not support combustion.

**Training advice:** Training is provided on request. Please contact our sales office who will be able to make all the necessary arrangements.

**Restrictions:** Method of presentation as a wipe reduces ingestion hazard. Avoid direct contact of the wipe with eyes. Avoid oxidising agents.

**Section 2 risk phrases:** R11: Highly flammable.

R22: Harmful if swallowed.

R36: Irritating to eyes.

R38: Irritating to skin.

R41: Risk of serious damage to eyes.

R43: May cause sensitisation by skin contact.

R50: Very toxic to aquatic environment.

R53: May cause long term adverse effects in the aquatic environment.

R67: Vapours may cause drowsiness and dizziness.

**Additional Information:** This data sheet was compiled using external data from our suppliers and contains all the necessary information to conduct a COSHH assessment. This document in its own right does not constitute the users own assessment of workplace risk as required by health & safety legislation.

**Legal Disclaimer:** The information given in this safety data sheet is given in good faith and to the best of our knowledge is correct. No liability is accepted for any loss or damage arising directly from the use of the company's products or from the use of the information given in this safety data sheet. In particular, financial or economical loss unless required by law.
