

SAFETY DATA SHEET
Bowcleanz Bowcare Lemon Beaded Soap 5L

Page 1/4
Issued: 10.03.2011
Revision 1

1. Identification of the Substance/Preparation and of the Company/Undertaking

Product name: Bowcleanz Bowcare Lemon Beaded Soap 5L
Product code: 85.1001
Company name: GPP Hygiene
Athena 3 Olympus Park
Quedgeley
Gloucestershire
GL2 4NF
Emergency tel: 01530 272922

2. Composition/Information on Ingredients

Ingredient	Contents	Health Risk (Class) (R. No.)
Aqua	>40%	None
Citrus Dulcis	<10%	None
Nonylphenol or Alcohol Ethoxylate	<5%	None
PEG 75 Lanolin	<5%	None
Chloroxylenol	<1%	None
Carbomer	<2%	None
Monoethanolamine Lauryl Sulphate	<2%	None
Cocamide DEA	<5%	None
Monoethanolamine	<1%	None
*Preservative	<1%	None
Dye C.I. 19104	<1%	None
Polyethylene Beads	<5%	None
Dimethyle Adipate/Glutarate/Succinate	<2%	None

* This is a blend of 2-Phenoxyethanol, Bronopol, Methyl 4-hydroxybenzoate, and Propyl 4-hydroxybenzoate.

3. Hazards Identification

Main hazards: Spillage will create a slip hazard.

Issued: 10.03.2011
Revision 1

4. First Aid Measures

Skin contact: Wash thoroughly with clean water. If sensitisation occurs seek medical attention for persistent irritation.

Eye contact: Wash thoroughly with clean water and seek medical attention.

Ingestion: Discourage vomiting. Give plenty of milk or water to drink. Obtain immediate medical attention.

Splashes on clothing: Remove contaminated clothing. Wash affected area of skin as above.

5. Fire Fighting Measures

Non-flammable. Severe fire may result in the production of carbon dioxide (CO₂) and carbon monoxide (CO).

6. Accidental Release Measures

Small quantities – dilute to waste with water. For spillage of greater than 10 litres place in suitable containers. Containers to be collected by waste disposal contractors.

7. Handling and Storage

Usage Precautions: Avoid extremes of temperature. Keep containers sealed until required.

8. Exposure Controls/Personal Protection

Ingredient	Std	Lt Exp (8 hrs)	St Exp (10 min)
Aqua	No standard		
Citrus Dulcis	No standard		
Nonylphenol or Alcohol Ethoxylate	No standard		
PEG 75 Lanolin	No standard		
Chloroxylenol	No standard		
Carbomer	No standard		
Monoethanolamine Lauryl Sulphate	No standard		
Cocamide DEA	No standard		
Monoethanolamine	No standard		
*Preservative	No standard		
Dye C.I. 19104	No standard		
Polyethylene Beads	No standard		
Dimethyle Adipate/Glutarate/Succinate	No standard		

Avoid contact with eyes.

9. Physical and Chemical Properties

Appearance: Yellow Gel.

Specific Gravity: 0.99 +/- 0.01 g/ml

Odour: Orange/Lemon/Citrus.

Solubility: Soluble in water

pH: <10

10. Stability and Reactivity

Materials to avoid: Strong oxidising agents.

Hazard decomposition products: Fire creates carbon dioxide (CO₂), and carbon monoxide (CO).

11. Toxicological Information

SAFETY DATA SHEET

Page 4/4
Issued: 10.03.2011
Revision 1

12. Ecological Information

This product, with the exception of beads and Carbomer, is believed to be biodegradable.

13. Disposal Considerations

Small quantities: Dilute to waste.

Large quantities: Contact local waste disposal companies.

NB: Small-bore waste pipes may be temporarily blocked if insufficient water is used to dilute.

14. Transport Information

Non-hazardous.

15. Regulatory Information

This product is not classified under these regulations and has no special labelling requirements.

Safety phrases: S25: Avoid contact with eyes.

S26: In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

S2: Keep out of reach of children.

16. Additional Information
