Industrial Maintenance Aerosols

Stainless Steel Cleaner

CODE: **R258**

Effective cleaning and maintenance of high-sheen metals

This product maintains a sparkling appearance to stainless steel, chrome and aluminium surfaces. Its non-abrasive formulation cleans without scratching, leaving a protective film to aid in future maintenance.

Benefits:

- Non-abrasive – leaves no scratches
- Effective on stainless steel, chrome and aluminium
- Use on supermarket checkouts, window surrounds and kitchen equipment (not including food preparation surfaces)
- Removes grease
- Inert composition, acid and alkali free
- Silicone free
- Leaves a protective clear film
- Lemon fragrance

Technical Data:

Appearance:	Clear colourless thin liquid spray
Odour:	Mild sweet aroma
Contents:	Blend of cleaning solvents, technical white oil and hydrocarbon propellants
Storage:	Below 50°C
Flash Point:	<0°C
