

BOWSTAR CLEAN FLOORCARE CONCENTRATE

FLOOR MAINTAINER CONCENTRATE

- *Cleans and repairs polish films*
- *Versatile - suitable for spray cleaning or damp mopping*
- *Neutral - can be used on most floor types*

A neutral cleaner for the cleaning and maintenance of floors, designed for use through the Bowstar Clean system.

Produces a fresh, spicy fragrance and builds gloss if used daily.

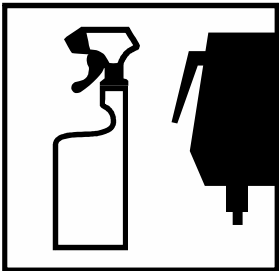

USES

Suitable for use on all polished and some non-polished floors. Effective against dirt, grime and rubber scuff marks.

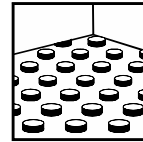

Use on marble, terrazzo, vinyl, thermoplastics, rubber and sealed wood.

DIRECTIONS

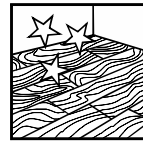

Fill with water to top of bottle and inject 1 measure of concentrate. Can be used for spray cleaning, maintaining or damp mopping. For optimum results, machine burnish with a suitable burnishing pad. Spray clean floors in the normal manner. Do not over apply.
