

Bowcare

BOWCARE CHEMICALS – BIODEGRADABILITY AND THE ENVIRONMENT

All Bowcare Chemicals are fully biodegradable and comply with Regulation No. (EC)648/2004. They are manufactured in compliance with ISO14001 and all current Environment Agency standards. Please see COSHH Data for full details which most state as 'no bioaccumulation potential'. We also encourage the re-use of containers and bottles where possible. These are fully recyclable and made from up to 40% recycled plastic.
