Method® Wild Rhubarb Anti-Bac All Purpose Cleaner

ANTI-BAC. ANTI-BORING. FOR SURFACES.

Instructions for Use

1. Spritz on surface until surface thoroughly wet

2. Leave for 5 mins to disinfect

3. Wipe with damp cloth.

IMPORTANT: Test on an inconspicuous area first.

Surfaces vary. Not suitable for use on natural stones or porous surfaces, such as marble or limestone.

Remember disinfectants and algacides are not intended for direct application to humans or animals.

Our products contain plant-based ingredients that should not cause adverse health reactions in normal or foreseeable use and we use third-party independent assessors and certifications to validate this. However, our formulas do contain some allergens and these are named on the label, in line with the requirements of EU legislation.

Contains:

Aqua, alcohol denat., lactic acid, caprylyl/capryl glucoside, potassium hydroxide, sodium lauryl sulfate, parfum, tetrasodium glutamate diacetate, sodium octyl sulphate, geraniol

Shelf Life: 2 years
