

Information Sheet

Bowcare Graffiti Remover

Code: 74.1011

Properties:

Effectively clears areas of pen and felt tip marks.

Application / Dosage:

Wear protective clothing, goggles and gloves.

Test a small unobtrusive area by rubbing with a white cloth dampened with product as any damage will be irreversible. Spray directly onto surface to be treated and leave for a few minutes to penetrate, agitate with a cloth or, for persistent marks, an abrasive hand pad. Porous surfaces are best treated with a brush to penetrate pores. When the graffiti is dissolved rinse or wipe away with clean water. Do not use in enclosed or confined spaces.

Storage Details:

Do not allow to freeze. Use within 1 year of purchase.

Environmental / Biodegradable:

Product is 100% biodegradable with no bioaccumulation potential.
Negligible eco-toxicity.

Hazard Classification:

Keep locked up and out of reach of children. In case of contact with eyes, wash immediately with plenty of water and seek medical advice.
Do not mix with other chemicals.

Physical Data:

Colour:	Colourless Liquid
Consistency:	Non Viscous
Odour:	Characteristic
ph Level:	11
Flash Point °C:	>93
