

# BOWSTAR CLEAN WUL CONCENTRATE

## SUPER-CONCENTRATED WASHING-UP LIQUID

- *Highly concentrated for extra economy*
- *Leaves a sparkling, grease-free finish*
- *Convenient and practical in use*

A super-concentrated washing-up detergent, which is fragrance-free and contains an advanced blend of cleaning agents.

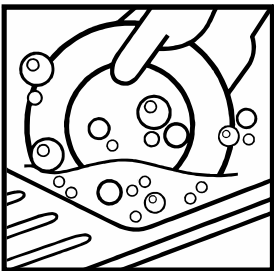

A thick, green liquid with a high foam level, it is designed to be used through the Clover Chemicals Ultra Dose system for washing up by hand. Suitable for use on all crockery, cutlery, glassware and utensils.

### USES

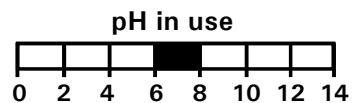

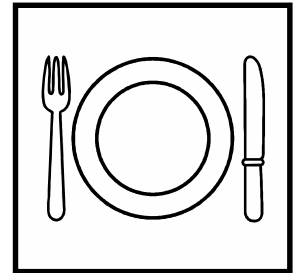

Ideal for use in all catering establishments, e.g. cafés, canteens, restaurants, school kitchens, etc.

### DIRECTIONS

Dispense 1 shot into a 5 litre sink of warm water. Add items to be washed and allow a few minutes to soak. Clean items using a sponge, brush or pad.

Code: 87.1002
