

# BOWSTAR CLEANER DEGREASER CONCENTRATE

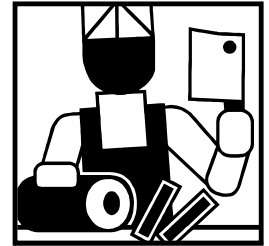

- *Removes grease, oil and hardened grime*
- *Food safe*
- *Economical in use*

Code: 87.1004

A powerful three characteristic degreaser, designed for use through the Bowstar Blend and Bowstar Clean systems.

A clear, red, water-soluble liquid, combining alkalis, specialist detergents and effective water soluble solvents, it is compatible with the Bowstar Catering Sanitiser Concentrate 87.1003

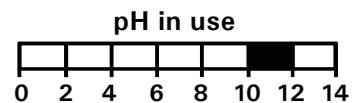

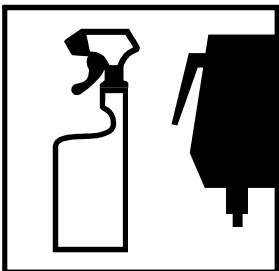

## USES

Ideal to rapidly remove grease, oils and fats from safety flooring, stainless steel, ceramic tiles, plastic and laminated flooring.

## DIRECTIONS

Prepare a trigger spray or bucket solution through the Bowstar Clean Bowstar Blend system. Apply to surface, agitate, then rinse thoroughly.

## PACK SIZES
